5. **Round Table**

-RS made a motion to approve the following **cheques for processing**:

-RS: a family put in for financial relief, but their account is paid in full. We have reached out to the family but have not had a response. If they reach out again, we will consider the request.

-PW: July 19th we voted in an Exceptional Player Policy because OMHA encouraged us to do so. We went through the process and through 3 tryouts the player did not meet the requirements based on IMHA policy. This policy aligns with other associations, outlining the player must be in the top 3. There are also organizations who do not allow any player movement below U11 because it follows the pathways.

-KD we also received \$1000 donation from Poplar Hill Lions with another \$500 coming in January.

-RS: We have put in a request with CIBC for all accounts to be joined so we can better pay out the winners of the cash calendar through etransfer rather than cheques.
